Dear Ms. Hall:

I want to personally thank you for your donation of \$1,500.00.

Your donation will directly support Angel Flight West's mission of arranging free air transportation in response to health care and other compelling human needs. Without your donation, we would be forced to say "No" to the many requests we receive daily.

During 2007 we were able to perform nearly 4,440 missions, which is nearly 10% more than we did in 2006. Through your generosity we are hoping to increase our missions in 2008 by another 10%.

Please remember, Angel Flight West NEVER charges the passenger for these services. Missions are entirely funded by donations such as yours, as well as through grants, and the generosity of those pilots who donate their plane, fuel and time.

On behalf of all of us at Angel Flight West, our Board of Directors, pilots, ground volunteers and most especially those we serve, please accept our deepest gratitude and appreciation for your donation.

Be Well,

Joan Elaine Anderson
Director of Development
