Dear Maggie,

On behalf of the Board of Directors of Angeles Girl Scout Council, over 9,300 Girl Scouts, more than 6,000 adult volunteers, and our professional staff, please accept my thanks for the additional grant of \$1,000.

Developing girls leadership capacities is the primary focus of our Movement in the coming years. New, challenging opportunities and achievement awards are coming from our national organization, ones that address *what girls say they want to do and know*.

Your gift is especially valued this year as Angeles Council prepares to merge with our sister councils in Greater Los Angeles to form the largest nonprofit organization serving girls in Los Angeles County history! As over 99 percent of all adults working with Girl Scouts are *volunteers*, ours is perhaps one of the most powerful community-based and largest youth-serving agencies in the USA. The excitement balances with our commitment to make this transition seamless in terms of our ongoing services to girls and our volunteers.

Thank you, once again for helping us to “build girls of courage, confidence and character who make the world a better place”!

Sincerely,

Cynthia J. Hampton
Chief Operating Officer
