Dear Maggie:

On behalf of the Permanent Home Capital Campaign Committee, I wish to thank Kiwanis Club of Santa Monica for the \$1,500.00 grant awarded to the Santa Monica Historical Society Museum. The Kiwanis grant will help fund the children's program for the Outlook Newspaper Archives in the new museum's research library. In our new state-of-the-art museum, conveniently located on the Santa Monica Public Library campus, Santa Monica's young people will learn about the rich, diverse history of their community in a hands-on, interactive experience that draws upon over 100 years of newspaper images and stories.

In recognition of your contributions to the Capital Campaign over the last three years, "Kiwanis Club of Santa Monica" will be recorded as a Friend Donor on the Legacy Tower in the new museum's main lobby. Should you wish a different designation, please let us know.

Again, our thanks and appreciation for your generous support. We are very pleased that you have chosen to support us again in our efforts to offer Santa Monica residents an engaging and meaningful experience of their city's history and the early beginnings of the Santa Monica Bay area.

Sincerely,

Jean McNeil Wyner  
Chair
