Dear Maggie,

I want to thank you and the Kiwanis Club, for funding our graduation ceremony costs this year. As a small school without the support of a local PTA or Booster Club, the support of the community through organizations such as yours, is so valued by every member of our staff.

We truly appreciate your acknowledgement and recognition of our students through this donation. Each child has a rich history; for many this is one of great hardship over which they have learned to triumph and for others it is because they have personal issues that have made it difficult to follow the mainstream path. In any case, they have each worked harder than the typical high school student in overcoming their issues and in aiming for a higher goal and aspiration in the end.

Kiwanis International, and your club in particular, are well known for their good works and support of the community as displayed through this donation. Please extend our deepest appreciation to the officers and members of your club.

Sincerely,

A handwritten signature in cursive script that reads "Janie Yuguchi Gates".
