Dear Maggie,

The Wellness Community-West Los Angeles (TWC-WLA) was privileged to be selected as a grant recipient in 2008 by The Kiwanis Club of Santa Monica. Thank you to all of the Kiwanis Club members who worked so diligently throughout the year to be able to provide such generous funds to community organizations in Santa Monica.

This grant from Kiwanis Club of Santa Monica will help to underwrite a series of educational workshops for parents with cancer and their children to help families learn how to reduce stress and anxiety, communicate openly and inform parents how to share age appropriate information with children during this difficult time.

Once again, thank you for partnering with us to help families affected by cancer who come to TWC-WLA in search of hope and support. The Kiwanis Club of Santa Monica's gift is greatly appreciated and so critical to the families who count on us to provide comprehensive psychosocial support services *free of charge*.

Warm Regards,

Ellen R. Silver
Executive Director
